

**This compact establishes the basis on which
Road Safety Education Limited (RSE)
and Rotary Clubs engage together in delivering
the RYDA road safety education program.**

RYDA is a professionally developed and maintained road safety initiative that delivers an integrated road safety education program to young people. A fundamental reason for the outstanding success of RYDA is the consistent delivery of a road safety education program that operates with the active support of Government agencies. The following mutual commitments will ensure that Rotary and RSE can efficiently work together and continue to provide a highly successful and valuable road safety education program for the benefit of youth in our community.

The participating Rotary Club agrees to:

- Conduct RYDA in accordance with the RSE Operations Manual and RYDA Facilitator Training Manual;
- Ensure that all RYDA Facilitators are selected and trained in accordance with established RSE guidelines;
- Pay RSE the RYDA Program Support Fee (currently \$6.00 per student);
- Protect RSE's intellectual property in its RYDA Program;
- Ensure compliance with RSE's procedures including RSE's "Working with Young People Policy".
- Participate in the prescribed RYDA Program evaluation process;
- Liaise with local schools to encourage and coordinate their participation;
- Promote the Program externally and within Rotary;
- Liaise with local councils to gain their financial support and cooperation as required;
- Ensure that all financial transactions are managed by RSE on a centralised basis;
- Contribute to any annual deficit at their locally managed venue and accept that any annual surplus funds are held by RSE to help fund future RYDA Programs or help offset any deficits in your Rotary District;
- Return to RSE all RYDA material and documentation and to not subsequently use the RYDA Program or any part of it, if at any time the Rotary Club ceases to run RYDA.

Road Safety Education Limited agrees to:

- Provide all information and documentation required to organise and implement the RYDA Program including the RSE Operations Manual for Rotary Clubs conducting the program.
- Provide support material including RYDA Information leaflets, Day Book, student wrist bands, GPS workbook including a Certificate of Attendance and program electronic resources (PowerPoint / videos).
- Provide training and support to Rotary venue coordinators;
- Provide assistance with selection of a venue and facilitators to conduct RYDA;
- Provide required training of RYDA Program facilitators for all six RYDA sessions;
- Maintain an informative and interesting website to provide information and resources to a wide range of stakeholders including school, parents, students and Rotary Club members.
- Maintain a dynamic social media network including dedicated Facebook and Instagram sites;
- Undertake state and national promotion and assist with local promotion including assistance with presentations to local councils, clubs and other community organisations;
- Financially manage and account for all transactions including publication of an annual audited financial report and provision of an annual financial report based on specific local RYDA venues;
- Engage with governments and government agencies at all levels including Police in relation to the content, delivery and conduct of RYDA and other RSE education programs;
- Provide evaluation processes and materials designed for RYDA Program improvement and reporting;
- Subsidise the student attendance fee by engaging in sponsor partnerships with major corporations to the extent of up to 50% of the RYDA Program cost;
- Maintain the RYDA Program as a well respected evidence-based road safety education resource consistent with established best practice.
